Sylvia Plester-Silk
Holistic Energy Therapist

Come play with your creativity, you'll be amazed by the results.

This two-evening course is your opportunity to explore your creative side, yes even those of you who feel you don't have a creative side. Please note that NO previous artistic skill is required.

The technique that you will learn will allow you to create two paintings that will amaze you!

I look forward to sharing this craft with you and encouraging your intuitive expression to blossom.
